

Dear Mrs Kytö,

On behalf of Her Royal Highness Crown Princess Victoria I wish to thank you kindly for your letter asking to become a Patron or a Godmother of DaisyLadies Ry and the foundation Nordic Ladies – Forward together. Her Royal Highness has taken great interest in your letter with the information about your foundation.

Regrettably Her Royal Highness decline. Her Royal Highness is not able to become a Patron. She already has many Patronages and is not able to take on more at the moment.

We wish you the best of luck with the Foundation Nordic Ladies.

Kind regards,

Susanne Franchell
